Maryland Auto Show Takes Over Baltimore Convention Center
New Models, EVs, Hybrids, EV Performance Track, Test Drives, Pet Adoptions, and More

Baltimore – (May 17, 2024) The 2024 Maryland Auto Show takes over the Baltimore Convention Center with the latest new cars, trucks, crossovers, EVs, hybrids, customs, classics, and more. Car lovers are invited to check out the latest vehicles in a non-selling environment, inspect engines and experience the latest automotive technology from Friday, June 14 through Sunday, June 16, 2024.

Guests will have the opportunity to learn about hybrids, plug-in hybrids, EVs, fuel cell vehicles and traditional gas engines, helping them choose what best suits their needs. An **indoor EV performance track** will allow attendees to go for a ride and get a feel for the performance and handling of several new model all-electric vehicles.

"Just as 2024-model year cars and trucks are showing up at your local dealer, there's plenty of good news for new car shoppers," said Autotrader Senior Editor Sean Tucker. "Prices are trending down on many models, especially electric cars. There is also an abundance of new and used car inventory, and new car incentives are up more than 100 percent compared to this time last year. While some buyers are interested in electric cars, many prefer hybrid or gasoline only powered vehicles. Today, there are more than 33 hybrid vehicles now available - and many of those will be on display at the Maryland Auto Show, making it a great place to learn about all the options available today."

Licensed drivers are invited to get a feel for the performance and handling of several new models from **Kia**, and more. Also, don't miss furry friends looking for forever homes in the **Subaru Loves Pets** display. A must-see lineup of new model vehicles, some not yet available in dealer showrooms, will be on display. Product specialists from leading automotive manufacturers will be at the auto show to answer questions and provide information.

The Maryland Auto Show will be open to the public Friday, June 14 through Sunday, June 16, 2024. Show hours are Friday and Saturday from 10 a.m. to 7 p.m. and Sunday from 10 a.m. to 5 p.m. The auto show
